DMD Preference Center

## What Amount of Medically Relevant Content Is Right for You?

It is DMD's desire that you receive communication that is relevant to you. To ensure this, we have provided several selections below.

By remaining subscribed to the DMD Healthcare Communications Network you have email based access to current relevant medical communications that include information from: leading national hospitals, key opinion leaders, pharmaceutical companies, top healthcare recruiters, relevant medical publications, paid research opportunities, surveys, and opportunities to earn continuing medical education credits.

You are currently subscribed to the DMD Healthcare Communications Network and are receiving information and opportunities via email from:

- \* Medical publishers
- \* Top National Hospitals
- \* Leading Pharmaceutical and Medical Device companies
- \* Pharmaceutical sample opportunities
- \* Relevant Job Opportunities
- \* Research and Survey opportunities
- \* CME and eCME opportunities
- \* Information from top specialists and thought leaders in your field

DMD is committed to ensuring that information provided to you is relevant to you, your practice, and your patients.
